CASTING EXPERIENCE

Aisha Bywaters Casting – Casting assistant from June 2021

- Analyzing scripts and generating script breakdowns
- Developing idea lists on a national and international scale, running availability checks.
- Creating Spotlight breakdowns while ensuring our diversity & inclusion standards are met.
- Reviewing and filing all actors submissions / tapes and sharing them with the team.
- Organising all aspects of auditions, workshops, and recalls (in-person and Zoom).
- Collaborating with the production team to ensure the final cast reflects their vision (team creative meetings, budget meetings etc.)
- Maintaining a long-lasting and trust-worthy relationship with agents and their talent.
- Support the Casting Director with financial offers and negotiation.
- Generating Casting Advice Notes and other relevant paperwork for the production team.
